

SPANISH COURSES FOR FOREIGNERS

INSTITUTO
HISPÁNICO
DE MURCIA

Welcome to Instituto Hispánico de Murcia

The No. 1 Spanish courses provider in Murcia County.

WHY STUDY WITH US ?

- ❖ The only specialists in teaching Spanish to foreigners in Murcia.
- ❖ Since 2000.
- ❖ Qualified teachers members of our team for at least 4 years.
- ❖ Small groups size. High quality language teaching always guaranteed.
- ❖ Classes on bank holidays will be always made up.
- ❖ School located right in the heart of the city. No need to use transportation.
- ❖ Wide variety of courses to choose from.

And we don't suffer from the so-called bigness complex, so don't expect a big school! Having said that remember we offer all Spanish levels according to the Common European Framework of Reference for Languages.

We are a recognised Examination Centre by The Foundation for the Development of and Research into Spanish Culture **FIDESCU** holding of the exams for the International Diploma in Spanish (D.I.E.), recognised by the **Swedish Government CSN**, by the **German government** throughout their **BILDUNGSURLAUB** programmes, we collaborate with local and regional authorities in terms of international promotion, and we are an accredited school by the **SICTED** recognition since 2008. SICTED is a project to improve the quality of tourism destinations promoted by the Tourism Institute of Spain (**TURESPAÑA**) and the Spanish Federation of Municipalities and Provinces (FEMP), which works with companies and tourist services with ultimate goal of improving the tourist experience.

Also, we collaborate with **EURODYSÉE**, an exchange programme of the **Assembly of European Regions (AER)**, we are founding members of **TURLINGUA** and recognised members of **FUNDACIÓN TRIPARTITA**, a Spanish state foundation responsible for promoting and coordinating the implementation of public policies on vocational training in the field of employment and labor relations.

WHY SHOULD YOU CHOOSE US INSTEAD OF OUR COMPETITORS?

- ❖ Our Spanish school is **small** and as such each student receives personal attention and the atmosphere is **very friendly and welcoming** - something that is sometimes less easy to achieve with larger schools.
- ❖ As **fewer people** go to Murcia than other, more touristy, Spanish hubs such as Barcelona, Madrid, Alicante, ... you are unlikely to hear English or other languages during your stay - thus creating the perfect environment to really immerse yourself in the Spanish language and culture. And people from the South of Spain are well known for being more open and **friendlier**.
- ❖ The **weather!** Sitting on the aptly named Costa Cálida, Murcia boasts 330 days of sunshine each year and is the third sunniest region in all of Spain. **There is nothing like the sun!**
- ❖ Murcia is a **very safe city** in comparison to many others. You can walk safely through the streets at any time of day – although it is of course advisable to take usual precautions as you would in any city. In fact, Murcia is one of the **safest regions in Spain** according to the Spanish Home Office & the National Institute of Statistics latest reports.
- ❖ The food - namely **tapas**, which are said to be one of the best in Spain and a paradise for vegetarians. Thanks to the Murcia's location by the Mediterranean producing abundant fresh, local produce, you can happily spend each evening drifting between tapas bars and sampling delights such as spiced mussels, fried squid, hake goujons, quails' eggs, *ensaladilla rusa*, grilled vegetables, freshly carved ham, garlic potatoes, paella and more – all washed down, of course, with a *caña* (draft beer) or two!
- ❖ Founded by the Moors in 825 AD, Murcia is a **melting pot of cultures**: Arabic, Christian and Jewish. As such the people are colourful in character, exuding a religious passion that manifests itself wonderfully in Murcia's many vibrant festivals. Whatever time of year you visit, you are likely to catch one of these: joyful Spring festivals (Fiestas de Primavera) and Easter Holy Week lead to the September fair, bullfights and a string of music festivals all over the year.
- ❖ Murcia-San Javier **international airport** MJV offers direct flights from many European cities. Being a smaller airport than many of those on the Spanish costas, your time at the airport may well be shorter and less stressful. And don't forget Alicante international airport ALC is located just 45 minutes driving from Murcia.
- ❖ If you're after **sea and beaches**, Murcia is your place. With 250 km of coastline as well as 18 natural parks, fields, mountains and valleys, the region boasts beautiful natural landscape which also lends itself perfectly to outdoor pursuits and sporting activities all year round.
- ❖ Culturally, Murcia is something of an open-air **museum**. Alongside 15 museums you will find many art galleries, exhibition halls, concerts and a very interesting offer on theatre and fine arts.
- ❖ ... And there are 2 universities, more than 35,000 students and a very busy **social nightlife!**
