

## Accommodation (Omeida)

---

Omeida Language School offers spacious, clean rooms at a subsidised rate to our students. All of our rooms are a 2-10 minute walk to Omeida Language School. All of our rooms are equipped with air conditioning, heating, internet access, a desk and chair. You also have your own ensuite bathroom including a toilet, a shower and your own hot water tank for 24 hour hot water service. You will also have free access to a washing machine.

### **Shared twin dorm with ensuite bathroom**

The twin dorm bedrooms are to be shared with a student from China, which will greatly benefit your Chinese language progress, while practicing in daily life what you've learned in class.

And as mentioned above, all rooms include air conditioning, heating, internet access and a desk. You also have your own ensuite bathroom including a toilet, a shower and your own hot water tank for 24 hour hot water service. You will also have free access to a washing machine.

There is a small extra charge for the electricity that you use during your stay with us. This will usually be between RMB 50 and RMB 150 per month per person depending on season and usage, in particular how often the air conditioner and shower heaters are used. If you are sharing your room, this price is divided by both occupants.

### **Private dorm rooms with ensuite bathroom**

For an additional 100RMB per week, Omeida Chinese Academy can provide a fully furnished single room with a private bathroom to ensure you have an enjoyable stay in Yangshuo. These rooms can either have twin beds or double beds and is depending on availability and is for single occupancy.

As with the shared accommodation, please note that there is an additional charge for electricity. This is usually between RMB 50 and RMB 150 per month, depending on season and usage, in particular how often the air conditioner and shower heaters are used.

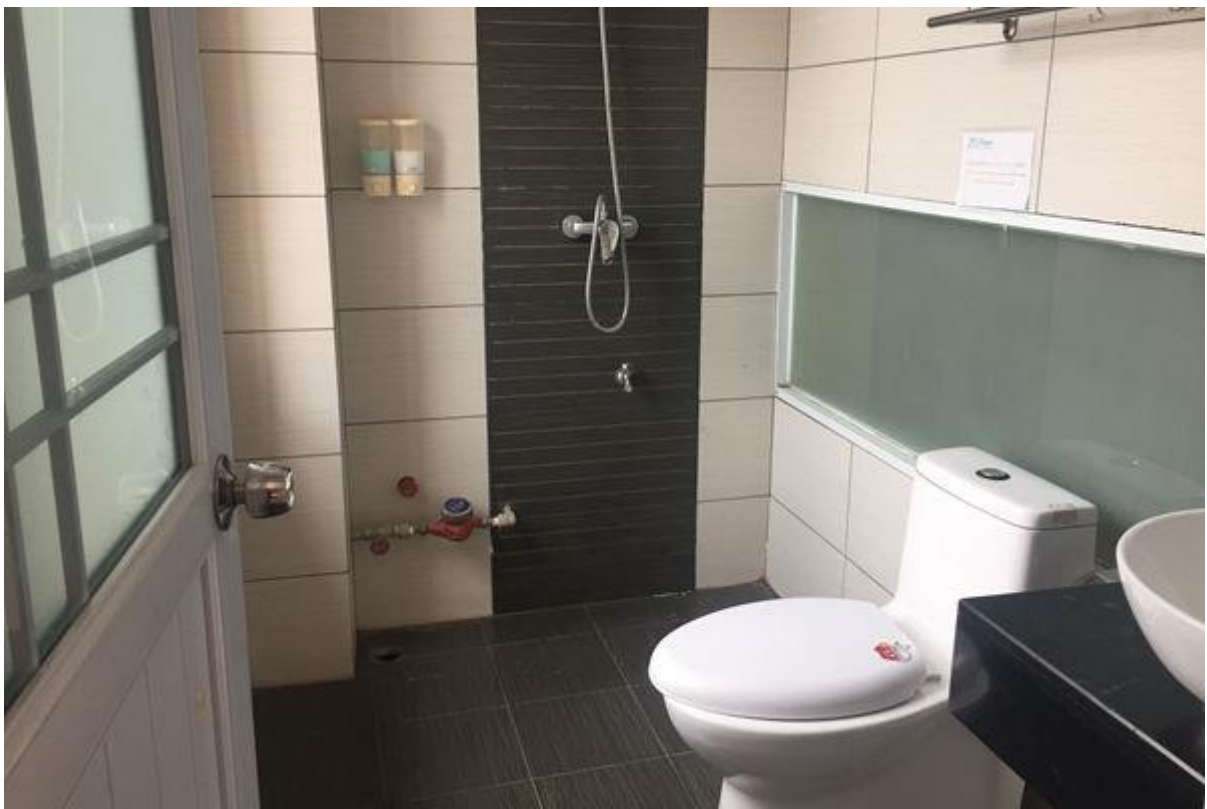

## Luxury private dorm rooms with ensuite bathroom

For an additional 250RMB per week, Omeida Chinese Academy can provide a more comfortable and larger room with an ensuite bathroom. The building is only 2 minutes walk from school and has a restaurant on the first floor convenient for everyday meals such as breakfast, lunch and dinner. It has similar facilities to the above accommodation options but all private rooms have western toilets.

As with other accommodation options, please note that there is an additional charge for electricity. In this building the shower heater is powered by air energy so it saves electricity. This is usually between RMB 50 and RMB 100 per month, depending on season and usage, in particular how much the air conditioner is used.

## Hotel private room

For an additional 450MB per week, Omeida Chinese Academy can provide a single room with a private bathroom at nearby hotel, to ensure you enjoy a high-quality hotel service during your stay. Rooms are available all year round but please be aware that they cost more during public holidays, especially the National Day (first week of October), Chinese Spring Festival (usually in late January or early February), and summer (July and August). Please ask us for further details.

As with other accommodation options, please note that there is an additional charge for electricity. This is usually be between RMB 50 and RMB 150 per month, depending on season and usage, in particular how much the air conditioner and shower heater are used.
